1. Define the _____ of the Relationship: Pursuing _____

The purpose is to find out:

Are we or aren't we right for each other???

2. Guys – _____ Her Parents

3. Build the Relationship in “Real Life Settings”

In other words, find ways to include each other in every day life. It’s cool to go on romantic dates, but also get to know each other in other settings... everyday life settings.

4. Save the Physical Stuff for Marriage

Purity means more than just “not having ____.” We need to have a Godly standard to compare our lives to. When we let our guard down in the area of purity, it becomes easier and easier to compromise. It’s important to avoid tempting situations... In other words, if it will be tempting for you to be alone in your room with that person, or to park in a car... don’t do it. Avoid situations that will lead to your downfall.

You want to have a strong, Godly family? Than you need to build your relationship w/ wisdom. Even in the midst of the high emotions and excitement of romance, it is possible to use wisdom.

Proverbs 24:3 NIV

By _____ a house is built,
and through understanding it is established...
